Jungle Explorers

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

Age group: 6-10

TIME AVAILABLE

9-12

All Aboard! Grab your passport, explorer hat, sunscreen, and get ready to explore the jungle. There'll be treasure hunts, tropical birds, swinging monkeys, and more fun to explore! During this week campers will learn about the jungle through music, games, art, imagination, stories, and tremendous fun in the target language. Throughout their language and jungle immersion journey, they will create an exciting booklet describing all the animals explored in this adventure.

TIME AVAILABLE

Slimentists

Age group: 6-10

1-4

Let's learn the science behind making slime! Embrace the fun of slime with this super fun summer camp theme featuring slime recipes! Is it a solid or a liquid? What can slime do & What forms can it make?! We'll answer all these questions and more! Get ready for some weird science and messy fun! Campers will also explore a variety of science experiments while practicing the target language.

Week 2 | June 28-July 2

Bilingual Doctors

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

Age group: 6-10

TIME AVAILABLE

9-12

Campers will become bilingual doctors and learn about science, and the importance of health to children in an entertaining, exciting, and fun language learning camp. Students will experience role playing using tools that real doctors use and learn how the body works. By participating in these role-playing experiences, Bright Loritos is inspiring tomorrow's bilingual doctors today!

Safari Adventure

Age group: 6-10

TIME AVAILABLE

1-4

Campers will have a week to explore the African continent and to develop awareness for endangered wildlife and habitats. Campers will learn interesting facts about animals and communicate about them in the target language. We will explore animals from Africa through various language learning activities, games, and crafts.

Nature Camp

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

Age group: 6-10

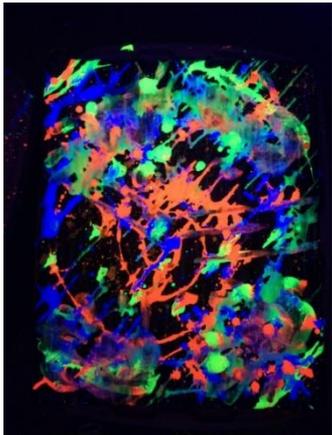

TIME AVAILABLE

9-12

Campers will convert the classroom into a space full of mountains, rivers, lakes, and forests. Campers will observe how plants grow, go on a nature scavenger hunt, explode a volcano, and harness the power of the sun to create their own foliage sun prints. Campers will use beans, sunflower seeds, and flowers to play games and participate in activities that reinforce sensory, fine motor, math, and language learning skills. So, dig and start planting the seeds of new knowledge.

TIME AVAILABLE

Glowing Art

Age group: 6-10

1-4

Campers will create amazing patterns, shapes, art, and designs inspired by nature and science in this bright and colorful camp! Campers will make glow in the dark glitter, use Neon paint to create masterpieces, use laser fingers to tell a story in the target language, and more. Campers will glow during the entire week! At the end of the week, students will display their best work in our "Glow in the dark art gallery."

Showtime

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

Age group: 6-10

TIME AVAILABLE

9-12

This is a great camp to showcase your child's language skills in the target language. This year, our actors will select a play based on a classic children's book and practice their lines in the target language. Each camper will rehearse, make props, puppets, programs, and costumes. Campers will learn about emotions and to use their voices and bodies as instruments of expression in the target language. The performance will be recorded and sent out by email.

Virtual Reality

Age group: 6-10

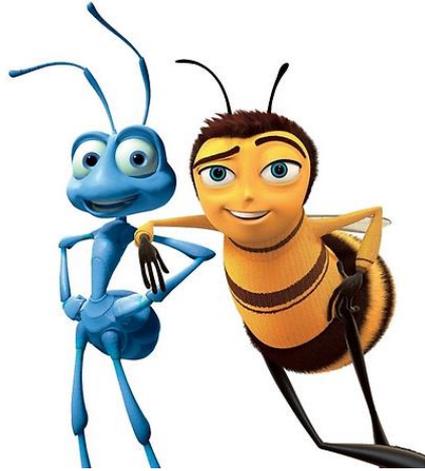

TIME AVAILABLE

1-4

Do you have a big imagination? Do you want to see the world?! Come to Virtual Reality camp! Campers will use Virtual Reality to see places all over the world. Let's explore! We'll hear about each other's adventures with the Virtual Reality Goggles. We'll visit the home countries of our teachers and see where people speak the target language. Students will learn how to describe the places. Play scavenger hunts and tell our friends all about what we have seen using the target language. You only need to bring an open mind and your imagination!

A bug's life

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

Age group: 6-10

TIME AVAILABLE

9-12

Spend the week exploring all the different creatures that live around us. We will learn about bug parts and play bug games. We will find bugs that live in different habitats, make bug art, and have lots of buggy adventures! Join us for a week of getting buggy with it! This week is all about paws, claws, and jaws as we learn about different insects. Join us to discover where the wild things are on our big, beautiful planet.

Harry Potter

Age group: 6-10

TIME AVAILABLE

1-4

This camp, inspired by Harry Potter, allows participants to play quidditch, learn magic tricks and make their own potions. Various challenges completed throughout the day will earn participants "house points" like those earned by the characters in "Harry Potter." Magic Campers will learn to master tricks used by professional magicians like the cups and balls, disappearing dice, incredible appearing hat, magic drawer trick and many more while speaking in the target language.

Camping

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

TIME AVAILABLE

Age group: 6-10

9-12

Campers will create an outdoor scene, converting the classroom into an artful space full of mountains, rivers, lakes, and forests. Students will practice vocabulary and phrases by acting out camping activities and creating items for outdoor use such as kites and fishing rods. The classroom and playground will resemble that of a camping spot with tents and imaginary fishing fun. Campers will have fun creating nature and science projects and even put together some yummy camping snacks for an end of week picnic.

Comic Book

Age group: 6-10

TIME AVAILABLE

1-4

Zing! Bam! Pow! Campers use their creativity and imagination to explore cartoons and comics worldwide and design their own comic book written in the target language. Who is the most popular superhero? How do you draw anime? Students will develop their drawing techniques in this camp and learn how to create characters, write dialogue, and develop a basic storyline in the target language. Campers will participate in guided activities and fun drawing games, and more while gaining language skills.

Pirates & Princesses

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

Age group: 6-10

TIME AVAILABLE

9-12

Arrgg! Send your pirates or princesses on an adventure sailing the seven seas! Campers will explore castles, build ships, create crowns and eyepatches while learning the target language! Set sail for an exciting week with boats, moats, dragons, and buried treasure! Your majesty, this camp is filled with a bounty of games, activities, music, and creative art experiences for our noble princes, princesses, and sea-faring pirates.

Deep Blue Sea

Age group: 6-10

TIME AVAILABLE

1-4

Campers will immerse themselves in the deep blue sea as they explore marine life and the mysteries of the deep! What does it take to be a marine biologist or deep-sea diver? What creatures live on the ocean floor? How deep does it really go? These questions and many more will be answered while learning language skills about sea animals, adjectives, directions, and more.

Slime Science

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

Age group: 6-10

TIME AVAILABLE

9-12

We'll mix up some crazy mixtures using stuff such as; slime, bubbles, crazy doughs, eat-me art, and more. Campers will get messy and amazed this week with fun hands-on science experiments! Young scientists make slime, sticky ice, make bubble sculptures, form a bouncy ball, explode a volcano, and much more. Seatbelts, everyone, and get ready for this week of messy and sticky science while learning the target language.

CLUE - Mystery Camp

Age group: 6-10

TIME AVAILABLE

1-4

Was it Professor Plum in the library? Was it Mrs. White in the dining room with the candlestick? WHODUNIT?! CLUE camp will have you describing and guessing at the great big mystery! We will play various roles in a story during camp. Campers will listen to questions and gather information in the target language. We will use our knowledge to ask great questions to find out the truth! Are you good at solving mysteries? CLUE camp is perfect for you!

STEM: Let's create!

Age group: 3-5

TIMES AVAILABLE

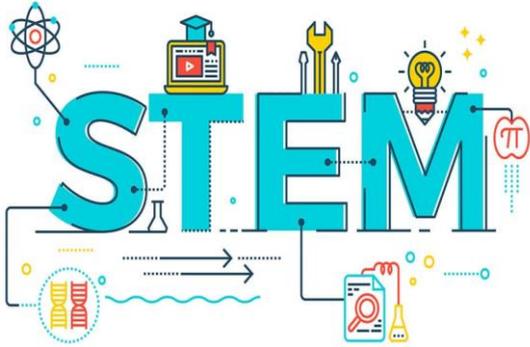

9-12

1-4

Age group: 6-10

TIME AVAILABLE

9-12

Celebrating STEM, campers will build their own creations using common household items! STEM stands for Science, Technology, Engineering, & Mathematics and requires its builders to think outside of the box to solve problems. Campers will learn how to collaborate with others and talk about their creations in the target language. We'll have a blast building tall towers, simple machines and learn basic coding together. Let's create together in camp STEM: Let's Build!

TIME AVAILABLE

Game on!

Age group: 6-10

1-4

This week offers an awesome chance to challenge your language skills while playing different games such as; pie face, wet face, egg toss, belly slide, jello drop, head dunk, shaving cream hairstyles, team painting, and more. Campers will work as a team to put on a mime act that will surely have the class laughing; they will even design their own games and rules using the target language and win prizes.
