Rainforest

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

Age group: 6-10

TIME AVAILABLE

9-12

All Aboard! Grab your passport, explorer hat, sunscreen, and get ready to explore the Amazon Rainforest. There'll be jungles, treasure hunts, tropical birds, swinging monkeys, and more fun to explore! This week, campers will learn about the Amazon rainforest through music, language learning activities, art, imagination, stories, and tremendous fun in the target language. Campers will create a booklet describing all the animals explored in this adventure throughout their language and jungle immersion journey.

TIME AVAILABLE

Deep Blue Sea

Age group: 6-10

1-4

Campers will immerse themselves in the deep blue sea as they explore marine life and the mysteries of the deep! What does it take to be a marine biologist or deep-sea diver? What creatures live on the ocean floor? How deep does it really go? These questions and many more will be answered while learning language skills about sea animals, adjectives, directions, and more.

Week 2 | June 27-July 1

Bilingual Doctors

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

Age group: 6-10

TIME AVAILABLE

9-12

Campers will become bilingual doctors and learn about science and the importance of health to children in an entertaining, exciting, and fun language learning camp. Students will experience role-playing using doctor tools and learn how the body works. By participating in these role-playing experiences, Bright Loritos inspires tomorrow's bilingual doctors today!

Harry Potter

Age group: 6-10

TIME AVAILABLE

1-4

Inspired by Harry Potter, this camp allows participants to play quidditch, learn magic tricks, and make their potions. Various challenges completed throughout the day will earn participants "house points" like those earned by the characters in "Harry Potter." Magic Campers will learn to master tricks used by professional magicians like the cups and balls, disappearing dice, incredible appearing hat, magic drawer trick, and many more while speaking in the target language.

Nature Camp

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

TIME AVAILABLE

Age group: 6-10

9-12

Campers will convert the classroom into a space full of mountains, rivers, lakes, and forests. Campers will observe how plants grow, go on a nature scavenger hunt, explore a volcano, and harness the sun's power to create their foliage sun prints. Campers will use beans, sunflower seeds, and flowers to play games and participate in activities that reinforce sensory, fine motor, math, and language learning skills. So, dig and start planting the seeds of new knowledge.

TIME AVAILABLE

Heroes

Age group: 6-10

1-4

Get ready for an adventure of heroic proportions while learning to be a superhero in the target language! Campers will design their super-logos, masks, comics, and more to create the perfect superhero secret identity. Our brave campers will fight to save our planet from contamination and global warming. Campers will grow plants, learn about recycling, and explore the earth's beauty while learning vocabulary, phrases, and songs related to the theme's camp. Non-stop, action-packed fun for all!

Cirque Du Soleil**Age group: 3-5**

TIMES AVAILABLE

9-12**1-4****Age group: 5-8**

TIME AVAILABLE

9-12

Cirque Du Soleil draws inspiration from different cultures around the world. During this week, our talented campers will extend the boundaries of their imagination to create a circus performance using the target language. Campers will learn how to do magic tricks, juggle, and design customs while working on their language skills.

Gravity**Age group: 6-10**

TIME AVAILABLE

1-4

Blast off on a mission to explore outer space. We will be exploring the power of our moon and sun and explore the stars and constellations that make up our night sky. Campers will even create their very own planet while learning the target language. At the end of the week, campers will test their knowledge and skills to present the planets they created to the rest of the campers. They will also have a blast, launching their rockets to infinity and beyond. Previous experience with the moon landing and rocketry construction is not required.

Slime Science

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

Age group: 6-10

TIME AVAILABLE

9-12

We'll mix up some crazy mixtures using stuff such as; slime, bubbles, crazy doughs, and more. Campers will get messy and amazed this week with fun hands-on science experiments! Young scientists make slime, sticky ice, make bubble sculptures, form a bouncy ball, explode a volcano, and much more. Seatbelts, everyone, and get ready for this week of messy and sticky science while learning the target language.

Masterpiece

Age group: 6-10

TIME AVAILABLE

1-4

This camp is one of our most popular ones! Our young artist friends will be introduced to different art projects such as collages, color mixing, painting to music, drawing with chalk, and many other artistic mediums. Campers will be inspired by the artwork of famous painters worldwide and discover how much fun painting can be. They will learn to describe their work in the target language.

World of Disney

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

Age group: 5-8

TIME AVAILABLE

9-12

Grab your Mickey mouse ears! Campers will learn the target language celebrating the generations of Disney movies and characters that we all know and love. We will learn about family and magic through the film Encanto, to never give up on your dreams through Luca, and how to make their snow inspired by Frozen. Students will make Lion King puppets and even have a unique science project inspired by Disney characters.

TIME AVAILABLE

1-4

Around the World

Age group: 6-10

Campers will learn the target language while exploring various festivals and cultural celebrations from different countries. How do people celebrate carnival in Colombia? What do people wear to a traditional Chinese New Year's celebration? How do people celebrate birthdays in Mexico? Campers will learn about cultural history and rituals through traditional songs, dances, costumes, foods, and more.

Showtime**Age group: 3-5**

TIMES AVAILABLE

9-12**1-4****Age group: 6-10**

TIME AVAILABLE

9-12

This is a great camp to showcase your child's language skills in the target language. Our actors will select a play based on a classic children's book this year and practice their lines in the target language. Each camper will rehearse, make props, puppets, programs, and costumes. Campers will learn about emotions and use their voices and bodies as instruments of expression in the target language. The performance will be recorded and sent out by email.

Slimentists**Age group: 6-10**

TIME AVAILABLE

1-4

Let's learn the science behind making slime! Embrace the fun of slime with this super fun summer camp theme featuring slime recipes! Is it a solid or a liquid? What can slime do & What forms can it make?! We'll answer all these questions and more! Get ready for some weird science and messy fun! Campers will also explore a variety of science experiments while practicing the target language.

STEM

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

Age group: 6-10

TIME AVAILABLE

9-12

Celebrating STEM, campers will build creations using everyday household items! STEM stands for Science, Technology, Engineering, & Mathematics and requires its builders to think outside the box to solve problems. Campers will learn to collaborate with others and talk about their creations in the target language. We'll have a blast building tall towers, simple machines and learn basic coding together. Let's create together in camp STEM: Let's Build!

TIME AVAILABLE

Storytellers

Age group: 6-10

1-4

Once upon a time, there was a summer camp full of children who battled monsters and taught them how to make friends through the power of storytelling and imagination. Campers will learn story structure through theatre games and use their imagination to design and build different scenes in the classroom to tell their stories. Famous legends and fairy tales in the target language will focus on the stories.

Loritos World

Age group: 3-5

TIMES AVAILABLE

9-12

1-4

Age group: 6-10

TIME AVAILABLE

9-12

Campers will get to know the fantastic characters of Loritos World. They will meet characters and have fun while practicing the target language. Each character will bring surprises and games for the campers. By the end of the week, the kids will become part of the Loritos World designers crew by creating a new character and presenting its characteristics and story using their language skills.

Game on!

Age group: 6-10

TIME AVAILABLE

1-4

This week offers a fantastic chance to challenge your language skills while playing different traditional games such as; hopscotch, tag, pie face, wet face, egg toss, belly slide, jello drop, head dunk, shaving cream hairstyles, team painting, and more. Campers will work as a team to put on a mime act that will have the class laughing; they will even design games and rules using the target language and win prizes.
