Bright Loritos Extended Care Options

Bright Loritos offers optional extended care for families who need additional time outside of the GSRP school day (Monday through Friday, 9:00 a.m. to 4:00 p.m.). To maintain proper staffing and student ratios, families who anticipate needing before or after care should enroll in advance. A 5-minute grace period is provided for arrival and pick-up to allow for normal transitions. **Families who need care beyond that time should enroll in the appropriate extended care option. Those who plan to use extended care regularly are encouraged to choose a consistent weekly schedule.**

Before Care: 8:00 a.m. to 9:00 a.m.
After Care: 4:00 p.m. to 5:00 p.m.

Before and after-care services are not included in GSRP funding and are billed separately.

Occasional Use (Drop-In Option)

Families who anticipate needing extended care regularly are strongly encouraged to enroll in a monthly plan to ensure availability. Occasional use of before or after care is available for families who need extended care on a limited basis.

Before Care (8:00–9:00 AM): $14 per day
After Care (4:00–5:00 PM): $14 per day

Drop-in care must be requested and paid for in advance and is subject to availability. Space is not guaranteed, as priority is given to families enrolled in a consistent weekly schedule.

Important Policies

- Enrollment in before and/or after care reserves a space for your child on the selected days.
- Fees are not adjusted for absences, holidays, or partial attendance.
- Staffing and ratios are planned based on each child's enrolled schedule.

Schedule Consistency and Changes

Families enrolling in extended care must select specific days of attendance at the time of enrollment and are expected to follow their selected weekly schedule. Staffing is planned based on each child's enrolled days.

Requests to add additional days may be accommodated at any time, subject to availability. Requests to reduce the number of enrolled days or change scheduled attendance days must be submitted in writing with at least 30 days' notice. Families remain responsible for their current extended care tuition rate during the notice period, and any revised rate will take effect at the start of the next billing cycle following the notice period.
